ABOUT ME

Profile

Flight Dispatcher — International Operations at Aerowise, combining professional experience in executive aviation with my training as a Commercial Pilot, holding a Private Pilot License and a Glider Pilot License, currently completing a commercial license validation and Airbus A320 rating process in Chile. Completed secondary education at Instituto Euskal-Echea, with international training in the United States and the United Kingdom through EF Education First. Founder and leader of several organizational and micro-entrepreneurship projects. Native English speaker (C2), with basic French and beginner Mandarin.

Decision-making under pressure · Attention to detail · Analytical thinking · Time management · Effective communication · Teamwork · Adaptability
